

AYUB KHAN

Administrative & Site Supervisor

ABOUT ME

Results-driven Administrative & Site Supervisor with 4+ years of progressive experience in construction operations, document control, and workforce management. Started as a site administration assistant in January 2022 and advanced to supervisory responsibility within a year, overseeing 40-80+ workers. Proven track record of ensuring full regulatory compliance, delivering accurate project documentation, and bridging communication between site teams, management, and vendors. Skilled in AI tools, professional writing, and data reporting. Seeking to contribute to high-impact projects.

WORK EXPERIENCE

Pak Rawal Engg Co, Attock Refinery LTD | 2023 - Present

Administrative & Site Supervisor

Key Achievements:

- Successfully supervised a workforce of 40-80+ workers, maintaining 100% on-time task completion across multiple simultaneous project phases.
- Maintained zero compliance violations over 3+ years by strictly enforcing company policies, safety regulations, and permit documentation.
- Streamlined document control workflows for contracts, permits, invoices, and reports - reducing retrieval time and improving audit readiness.
- Managed end-to-end payroll processing, attendance records, and salary slips for a large site workforce with full accuracy.

Core Responsibilities:

- Prepared and submitted daily, weekly, and monthly progress reports to senior management.
- Issued and tracked gate passes for materials and manpower; managed work permits and compliance documentation.
- Coordinated procurement and purchasing of construction materials, maintaining inventory and stock records.
- Prepared monthly billing, invoices, and expense records with full financial accuracy.
- Drafted and managed professional written correspondence with management, clients, and vendors.
- Acted as the key liaison between site operations, management, and vendors to ensure smooth workflow and timely project execution.
